

## And Never Let Her Go (Paperback)

---

By Ann Rule

SIMON SCHUSTER, United States, 2000. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The shattering crime story that shocked the nation: the Thomas Capano murder case On a June evening in 1996, 30-year-old Anne Marie Fahey, secretary to the governor of Delaware, vanished without a trace following a restaurant rendezvous with her secret lover of more than two years: Thomas Capano. One of Wilmington's most prominent and respected figures, a millionaire attorney and former state prosecutor, Tommy was a charming, softspoken family man. But in the weeks and months that followed Fahey's disappearance, investigators would gradually uncover the shocking truth: Capano was a steely manipulator driven by power and greed -- and capable of brutal murder. In a riveting narrative expertly documented by probing interviews, diary entries, and e-mail correspondence, and with superb insight into the twisted motivations of a killer, Ann Rule chronicles a real-life drama of Shakespearian proportions: ambitions fall, love turns to obsession, family names are tainted, the facade of success crumbles -- and a beautiful but vulnerable young woman pays the ultimate price in a convoluted and deadly relationship.
