By Jennifer Ward, T.J. Marsh

Northland Publishing, United States, 2000. Hardback. Condition: New. Kenneth J. Spengler (illustrator). Language: English . Brand New Book. Set to the traditional tune of Over in the Meadow , Somewhere in the Ocean will teach young children much more than how to count from one to ten as they follow ocean-dwelling mothers and their offspring throughout their days. Complete with a glossary, musical score, and numbers hidden in the illustrations, Somewhere in the Ocean introduces readers to an array of marine life -- from manatees and sea otters to jellyfish and sea horses -- in their natural habitat. Following the success of best-selling Way Out in the Desert this author/illustrator team has once again created a lively counting book.
