The Still Before Dawn

By Suzanne McConnell

Broken Earth Publishing Inc. Paperback. Condition: New. 262 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Believed to be the story that inspired John Grishams A Time to Kill; This fictionalized autobiography is centered around a true life rape victims story heard in a Mississippi court room. However, unlike the novel where the girl is wrapped in the loving arms of her family and her honor is defended by her father, the real little girl was handed back to the very perpetrators of the crime committed against her. For the next 10 years she struggled to survive in an environment of horrendous abuse, isolation and psychological manipulation. This is her story as she remembers it. Written as a fictionalized narrative changing names and some circumstances in order to protect the innocent, this book explores the psychological mechanisms of disassociation and memory repression and delves deeply into the family dynamics when incest, abuse and betrayal replace the love and security that childhood is supposed to offer. This is also the story of a young womans journey from the devastating effects of a life lived in the shadows of her own partially repressed memories into the light of reality where she learned to accept...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.
 -- Prof. Arlie Bogan

It in a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
 -- Dr. Barney Robel Jr.
