

Work and Society: A Reader (Paperback)

By Keith Grint

Polity Press, United Kingdom, 2001. Paperback. Condition: New. Language: English . Brand New Book. This topical book takes up these developments, broadening our understanding of work. Complementing the second edition of Grint's successful Sociology of Work textbook, this book is divided into five parts, each of which explores recent developments in the theory and practice of work. The authors include some of the leading international writers in their fields today, such as Stephen Barley, John Hassard, Bruno Latour and Judy Wajcman, plus some of the rising stars of the future. Each part has an introduction by the editor which contextualizes the selections, and there is a general introduction to help students navigate the text. Work and Society:...
