Feminist Press at The City University of New York, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. The notion of home has always been elusive. But as evidenced in these stories, poems, and testaments, perhaps home is not so much a place, but a feeling one embodies. I read this book and see my people--see us--and feel, in our collective outsiderhood, at home. --Ocean Vuong, author of Night Sky with Exit Wounds Asian diasporic writers imagine home in the twenty-first century through an array of fiction, memoir, and poetry. Both urgent and meditative, this anthology moves beyond the model-minority myth and showcases the singular intimacies of individuals figuring out what it means to belong.
