

## Sacred Transitions: Taking a More Conscious Role with Dying (Paperback)

Filesize: 1.97 MB

### ***Reviews***

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.*

*(Dr. Grady Jacobi DDS)*

## SACRED TRANSITIONS: TAKING A MORE CONSCIOUS ROLE WITH DYING (PAPERBACK)

Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sacred Transitions begins with a love story, the story of two souls on a journey - a journey that becomes a great adventure and opens a way for one soul to pass from one life realm into another. After all physical death is that part of the life cycle that transitions each of us into the spiritual realm or realm of Divine love. This book tells the deeply moving story of how a daughter used spiritual and metaphysical principles to help her mother transition with grace and peace into the Light. It is the story of how love and forgiveness can alchemically change fear and doubt into trust, joy, and release into the Light. In the second part of Sacred Transitions, the Handbook for Family, Friends and Caregivers offers specific guidance about creating sacred space and caring for yourself and others through the transition process. It will teach you how to use the power of intention, the law of vibration, invocations and prayer, space clearing techniques, sound healing, aroma therapy, the life review process, forgiveness processes, cleansing and illuminating the chakras to help those transitioning die consciously with peace and harmony. Suggestions are given for self care for the caregivers. A detailed bibliography points the way to further study. In our western culture, we spend time going to classes, reading books, and watching videos to prepare for the healthy births of our children. Yet little time is spent preparing for a healthy transition out of our physical lives. With an increasing aging population, it is more important than ever that we pay attention to the state of end of life care. The greatest human freedom is to live, and die, according...
