Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Plant Life and Plant Uses: An Elementary Textbook, a Foundation for the Study of Agriculture, Domestic Science or College Botany The Questions and Suggestions which follow the chapters are of two kinds. Some are designed merely to serve as an aid in the study of the text, while others suggest study and inquiry outside of the text. Of this latter kind there are more than any one student is expected to cover. Selection will be made of such as are most suitable to local conditions. Technical terms have been used only as real need for them has been developed. Upon first occurrence they are printed in italics. Attention is called to the classified tables of terms which immediately precede the Index. These are designed to serve the student in review, and to be a general guide to the relative values of the facts presented.
