Simon Schuster Ltd, United Kingdom, 2012. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Mara Dyer believes life can't get any stranger than waking up in a hospital with no memory of how she got there. It can. She believes there must be more to the accident she can't remember that killed her friends and left her strangely unharmed. There is. She doesn't believe that after everything she's been through, she can fall in love. She's wrong. Mara wakes from a coma in hospital with no memory of how she got there or of the bizarre accident that caused the deaths of her best friends and her boyfriend, yet left her mysteriously unharmed. The doctors suggest that starting over in a new city, a new school, would be good for her and just to let the memories gradually come back on their own. But Mara's new start is anything but comforting. She sees the faces of her dead friends everywhere, and when she suddenly begins to see other people's deaths right before they happen, Mara wonders whether she's going crazy! And if dealing with all this wasn't enough, Noah Shaw, the most beautiful boy she has ever seen can't seem to leave her alone. but as her life unravels around her, Mara can't help but wonder if Noah has another agenda altogether. Haunting and dreamlike, the intrigue and romance will inescapably draw you in - Cassandra Clare, bestselling author of The Mortal Instruments series.
