### Reviews

*A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).*

Little, Brown Book Group, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Hugely funny and peopled with a cast of characters I came to love like my own friends, Rush Oh! reminded me why I love reading Hannah Kent, bestselling author of Burial RitesMary Davidson, the eldest daughter of a whaling family in New South Wales,chronicles the particularly difficult season of 1908 - a story that is poignant and hilarious, filled with drama and misadventure. Mary Davidson has got used to looking after her five siblings whilst catering for her father s boisterous whaling crew. But when John Beck, an itinerant whaleman with a murky past, arrives on the doorstep wanting to join her father, Mary promptly develops an all-consuming crush which upends her world.Swinging from Mary s hopes and disappointments, both domestic and romantic, to the challenges that beset their tiny whaling operation, Rush Oh! is an enchanting celebration of both Mary s unique voice and an extraordinary episode in Australian history when a family of whalers formed a fond, unique allegiance with a pod of frisky killer whales - led by one named Tom.
