Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Genealogy of the Brainerd Family in the United States: With Numerous Sketches of Individuals The preparation of this work has cost me the labor of several years, much of the time since I last had the charge of a parish in 1851. I have travelled hundreds of miles, searched town and church records, written in numerable letters, requiring, in all, a degree of labor at which I am astonished myself, as I look back upon it. It has been truly a labor of love, prompted by my early interest in this family, and affectionate veneration for its honored names. To avoid perplexity in finding particular families, I have given first the name of the original settler and his family, and then have taken each of his children in the order of age, and traced them down through children's children to the present day. Where I have not found the materials to complete the tables, I shall be greatly obliged to any reader who will furnish more full and exact details of his own particular branch of the family, which can be directed to me at my home in Stockbridge, Massachusetts.
