

Faith Confronts Nuclear Power (Paperback)

By John R Gugel

Resource Publications (CA), 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Faith Confronts Nuclear Power is a theological critique that attempts to call people to action in the battle against nuclear power. Nuclear power is a sophisticated, terribly expensive, and frightfully dangerous way to boil water. What is it doing to the earth our God created? How do we care for the earth if we allow it to continue? Looking at nuclear power through the eyes of faith, a Lutheran pastor, John Gugel, is alarmed at the apparent lack of concern on this issue and seeks to call people to action. This book, Faith Confronts Nuclear Power, is a true labor of love, by a man who is deeply concerned about the effects that nuclear power will have upon the planet for many, many centuries, damaging God's creation. He is right because the waste from nuclear power will, over time, induce random compulsory genetic engineering in all species on earth, thereby inducing severe damage to the wondrous processes of life induced by evolution over millions of years. The author has beautifully tied the wise and wonderful Biblical writings to denote that this fact...
