

Taking the Lead: What Riding a Bike Can Teach You about Leadership (Paperback)

By Damian Gerke

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you've ever ridden a bike, two things have happened: You know you'll never forget how. You've experienced the principles that drive leadership excellence. What's driving your leadership? You want to lead with excellence, whether you're a seasoned leader or you're just beginning. *Taking the Lead* will help you discover and apply the key behaviors that will maximize your influence in whatever leadership role you play: In the marketplace, in the home or in the community. *Taking the Lead* is NOT a Book About Cycling. It uses the bike riding experience to illustrate leadership principles and answer critical questions about leadership: What is the definition of a great leader? How does leadership differ from management? How is a successful leader's communication style different? How do I develop other leaders around me? *Taking the Lead* will help you drive for excellence in whatever leadership role you fill: in the marketplace, in your home, in your marriage or in the community.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
