Oasis Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Lost in the woods. Bayport High s Green Environment Conservation Club is camping on Black Bear Mountain. Not only does the mountain live up to its name -- the fierce, furry animals are everywhere -- but rumor has it that a madman lurks in the nearby forest, and the crazy dude has a penchant for feasting on human flesh. When the campers wake up, however, not only do they find a bear roaming the campsite, but their teacher is missing . . . and blood is streaked across his tent. Frank and Joe go in search of him, only to find themselves hunted by an ax-wielding man in face paint and bearskins. As they venture farther into the forest, Frank tumbles into a waterfall and Joe finds himself teetering on the edge of dangerous rapids. Add all that to the black bears prowling the forest, and the boys aren t sure if they ll make it out alive!
