Text Publishing Co, Australia, 2018. Paperback. Condition: New. ed. Language: English . Brand New Book. Kids Like Us is the delightful, heartwarming story of Martin, a teenager on the autism spectrum, who falls for Gilberte-Alice, a normal French girl. While spending summer in the French countryside with his mother, Martin mistakes Gilberte for a character in a novel he is obsessed with - Marcel Proust's masterpiece *In Search of Lost Time*. He gradually realises she is not Gilberte, the fantasy girl, but a real person named Alice. Falling in love, in all its unpredictability, teaches Martin that he can connect to people. *Kids Like Us* is also the ultimate book about acceptance. Perhaps we are all in our own bubble; perhaps the line between reality and imagination does not have to be fixed. A book for those who loved *The Curious Incident of the Dog at the Nighttime*, and *Counting by 7s* by Holly Goldberg Sloan.
