CUBAN REVELATIONS: BEHIND THE SCENES IN HAVANA (HARDBACK)

[DOWNLOAD](#)

University Press of Florida, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. A vivid, engaging exploration of Cuban politics, culture and economic life. --America Considerably deeper than much of the work on the subject. It takes on the challenge of describing what s in a black box with energy and candor. The most informative, accurate, insightful, detailed account available on twenty-first century Cuba. Marc Frank is the best foreign journalist reporting from Cuba today. We now have a behind-the-scenes look at the changes large and small taking place as the Cuban revolution molts from Fidel to Raul to the next generation. --Julia Sweig, author of Cuba: What Everyone Needs to Know A must-read book to grasp what has been happening in Cuba over the past ten years. --Wayne Smith, director of the Cuba Project, Center for International Policy Frank enriches his fascinating reportage with his unparalleled access to expressive Cubans from all walks of life. --Richard Feinberg, University of California, San Diego With a sharp eye for human detail and a clear understanding of what makes Cuba tick, Frank s narrative bears eloquent, balanced, and always sensitive witness to the troubled trajectory of Cuba from the dark days of the 1990s economic collapse through to the challenging changes under Raul. It genuinely gets inside the otherwise confusing system and society, and is all the more welcome for that. --Antoni Kapcia, coeditor of The Changing Dynamic of Cuban Civil Society Gripping and insightful. It is rare indeed to find reporting as authoritative and well sourced as this about what remains an impenetrable and opaque regime. --Michael Reid, author of Forgotten Continent: The Battle for Latin America s Soul As a U.S.-born journalist who has called Havana home for almost a quarter century, Mark Frank has observed in...
