## MESSAGES FROM THE LORAX: PHOTOGRAPHS OF THE EXPRESSION OF NATURE (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Have you ever seen a tree smile? Or witnessed a cloud take a certain shape on purpose? We don't think of the elements of nature; trees, rocks, clouds, etc. as being able to express and communicate. Photographer Shannon Guest asserts that nature attempts to communicate with us every day - she even has the photographs to prove it in Messages from the Lorax. From figures emerging from trees, rock formations that show a face, to fairies in the webs of spiders, her images demonstrate nature's remarkable ability to mimic images familiar to us all. 159 photographs in full color.
