Dennis M Wilson (not the Beach Boy) is a successful author, consultant, and business person who has started several multi-million-dollar companies over his career. Driven by relentless pursuit to help people grow and succeed, he started Consulting Ltd., a 20-year-young company, which is now a world-wide leader in Multilevel Marketing Software. He was first introduced to MLM in 1996 and he slowly grew his income to \$22,800 per week. In 2015, Dennis started Small Business Dream because he saw how many companies were struggling to make ends meet and he knew with his vast experience he could help them increase sales. He took what he learned from his previous companies - about automaton, data collection, and sales funnels and built them into his Small Business Dream software. Dennis now spends his time split equally between Consulting Ltd. and its world leading MLM Software, the ultimate MLM prospecting and Automation tool, and Small Business Dream sales, marketing and email automation software company. He has successfully transitioned his love of helping others succeed in MLM to helping small businesses succeed in business as a sought after small business consultant.
