Liminal Corvid Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Lt. Kathryn Kitaen, a detective of Magic Affairs for the Metamor City Police Department, is not having her best day. An unidentified man in her precinct has been burned to death by unknown magic. A powerful wizard has erased the evidence from the crime scene. The commander of a powerful paramilitary organization wants to pick a fight over jurisdiction. And to top it all off, the Empire's top spymaster wants her to find his missing daughter: a spoiled and decadent heiress who's infamous for sparking scandal and controversy wherever she goes. Together with her partner, the Elven life-mage David Silverleaf, Kate must expose a conspiracy of silence in the highest ranks of the Empire's nobility: a web of lies that has already claimed one life, and threatens to take more. To get to the truth -- to protect the city she loves -- Kate will have to unravel a mystery that has baffled the Empire for a generation . a mystery that began in a magic-filled jungle on the other side of the world. METAMOR CITY is a futuristic urban fantasy series popularized by the award-winning Metamor City Podcast (Since launching in September 2007 the series has garnered over 3 million downloads and two Parsec Awards for outstanding audio fiction. THINGS UNSEEN is the first full-length novel in a new story arc set in the world of Metamor City. What critics and fans are saying about THINGS UNSEEN: Things Unseen will wrap you in a world of magic and science you won't want to leave. Lester has packed his story with characters you won't forget, concepts that will have you thinking long after the book is done,...
