### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Marcus Reno didnt believe in a life after death. Thats all just nonsense as far as he was concerned. Such a shame too as he has been reincarnated a total of 187 times. But Marcus didnt believe in reincarnation. Thats just New Age crap, he often said. Besides, he certainly didnt want to suffer to pay back all the bad karma he had accumulated in life. A gambler and a hustler at heart, he lived by the notion that anything worth gambling on was worth cheating at. He ran an underground poker parlor at his home in San Diego. That is, he did until he was caught cheating and was forced to leave the area. Meeting another hustler, Professor William (Wild Willy) Boggs, he embarked on a hunt for the lost treasure of the outlaw Jesse James. The adventure ended badly with Marcus losing his life. At the time of his death he didnt believe in an Afterlife, so he didnt experience one. Activities were going on around him but he wasnt able to perceive them. Floating out of his body, he entered a velvety, peaceful darkness where there was nothing - nothing at all . until he met Sumantra and learned LIFES GREATEST SECRET. Then he did the most incredible thing he went back to the physical world he just left to complete what he came to Earth to experience this time. Along the way he learned that we are much more than our physical bodies and that his particular life as Marcus Reno was only one of an infinite number that his soul could experience. He realized that suffering and disease arise when our consciousness forgets its immortality...
