Multnomah Press, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Biblical parenting involves encouraging, exhorting, and empathizing with children according to their unique needs and character. This re-release of Different Children, Different Needs clarifies what the Bible means when it commands us to train up a child in the way he should go (Proverbs 22:6). It teaches moms and dads how to understand the personality God has given each of their children and how to tailor their parenting styles to meet their children's needs. Pastor Charles Boyd uses the popular DISC personality assessment model to help parents better recognize, accept, and appreciate their kids' temperaments. IF ONLY YOUR PARENTS HAD READ THIS BOOK. Do you know whether your child is determined, influencing, soft-hearted, or conscientious? The key to effective parenting is knowing what motivates your child. The information and tools provided in Different Children, Different Needs will take the mystery out of the way you interact with each other. You'll begin to realize things you never understood about the best way to relate to each unique son or daughter. Your children will come to realize how God has designed and gifted them, growing in confidence and finding a sense of belonging. And you'll enjoy the fulfilling parenting experience you've always wished for. Story Behind the Book Based on the biblical teaching of Proverbs 22:6, the principles in this book can become the backbone for everything you do as a parent.
