To get **Runyang Yangtze River Highway Bridge Construction (Section 6 Approach and Interchange connection works) (fine)** eBook, you should access the web link under and save the document or have accessibility to additional information that are highly relevant to **RUNYANG YANGTZE RIVER HIGHWAY BRIDGE CONSTRUCTION (SECTION 6 APPROACH AND INTERCHANGE CONNECTION WORKS) (FINE)** ebook.

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 171 Publisher: People's traffic Pub. Date :2008-01-01 version 1. This book mainly mediated Shaorun Yang Yangtze River Highway Bridge Overpass Approach and wiring engineering content. The book is divided into 10 chapters. including interoperability approach spans and wiring overview of the overall design. installation works. interchange. exchange measurement and alignment control. pile construction. pile cap. pier construction. box girder. prestressed concrete continuous curved application of box-girder bridge. construction of north-south connection. This book is available in large-scale bridge design. construction and supervision of engineering and technical personnel. are also available for teachers and students of institutions of higher learning related to professional teaching references. Contents: Chapter interoperability bridge approach and the overall design of wiring Overview Chapter Overview Section II along the natural technical standards and the overall design of the main technical indicators of the principles of Chapter III wiring engineering section line II roadbed. road surface and Section III bridge and culvert drainage cross-project interchange design Chapter Overview Section II of Chapter interchange and exchange of linear measurement control section of Chapter VI Piles second natural profile Section III the impact of the construction of bored piles drilled into the hole dug hole pile construction process Section V emerged as the major problems and solutions Chapter VII of the pile and pier construction of Section II pier cap construction body-situ box girder construction section of Chapter VIII of the foundation and frame box girder frame construction of Section II Chapter mobile mold construction curved prestressed concrete box girder bridges continuous application of continuous curved prestressed concrete box girder section Overview of the lateral displacement of the bridge II prestressed concrete continuous curved box girder bridge analysis...
