1957, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.MAKING IT MORE DIFFICULT FOR OFFENDERS TO ESCAPE ACCOUNTABILITY! Krumins first book *The Detrimental Effects of Emotional Abuse*, since its publication in 2012, has helped victims of domestic violence and their families, as well as the professionals who work in the field of Emotional Abuse and its relatable types of abuses, i.e. Elder Abuse, to understand the strategy offenders use to commit their crimes in varying degrees. It s one thing to offer a practical step-by-step guide, it s another to actually be able to offer everyone a chance to see how they do it in a real life situation. This study on Ford shows everyone, to the detriment of so many on an international scale, how he was able to escape accountability, no matter what happened, by simply using a standard strategy and very simple tricks that no one really notices they re using. Where the book discusses how they do it, this case study makes you see how offenders, like Ford, know how to seize the moment and how best to take advantage of and how to encroach on people s personal emotional barriers as they undermine the trust people place in them, and how they gain dominance over them, without any objections and without anyone being cognizant of what they are doing. For millions of victims who have experienced living or working with an abusive individual, and for even more who are going through situations like Elder Abuse in their families, this offers a chance to find solace in gaining clarity from this study about how they were deceived by a loved one and that what happened to them could not have been prevented. In order to survive it, one would have...
