

## Culture and Communication: An Introduction (Paperback)

By James M. Wilce

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. James M. Wilce's new textbook introduces students to the study of language as a tool in anthropology. Solidly positioned in linguistic anthropology, it is the first textbook to combine clear explanations of language and linguistic structure with current anthropological theory. It features a range of study aids, including chapter summaries, learning objectives, figures, exercises, key terms and suggestions for further reading, to guide student understanding. The complete glossary includes both anthropological and linguistic terminology. An Appendix features material on phonetics and phonetic representation. Accompanying online resources include a test bank with answers, useful links, an instructor's manual, and a sign language case study. Covering an extensive range of topics not found in existing textbooks, including semiotics and the evolution of animal and human communication, this book is an essential resource for introductory courses on language and culture, communication and culture, and linguistic anthropology.

### Reviews

*I just began looking over this pdf. It is one of the most amazing pdf I have studied. I discovered this book from my dad and I recommended this pdf to understand.*

-- Merritt Kilback II

*Good e book and useful one. I have got read and that I am confident that I will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.*
