Excerpt from The Discoveries of Prince Henry: The Navigator, and Their Results; Being the Narrative of the Discovery by Sea, Within One Century, of More Than Half the World The glory of Prince Henry consists in the conception and persistent prosecution of a great idea, and in what followed therefrom. This book, then, is rather a record of the glory than of the mere life of Prince Henry. That glory is not a matter of fancy or bombast, but of mighty and momentous reality, a reality to which the Anglo Saxon race, at least, have no excuse for indifference. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
