

## Vocations for Business and Professional Women (Classic Reprint) (Paperback)

By Bureau Of Vocational Information

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Vocations for Business and Professional Women Marked changes and rapid developments occurred in certain types of work for women while this country was engaged in the war. No one is able to estimate the extent to which these developments might have progressed if the war had continued, or the extent to which they would prove permanent. It is an established fact, however, that women were successful in most of the types of work into which they were called by the exigencies of the war. No mention is made in this pamphlet of the types of positions held by women during the war in which the need for them or the opportunities for them were of a purely temporary nature. The attempt is made to discuss those occupations in which women have made a definite and permanent place for them selves and in which younger women, the workers of the future, may expect to find fields for service. The teaching profession has been omitted for the reason that most requests for vocational information are directed toward the non-academic vocations...
