By Deanna Quitugua

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Legend of the Children of Guam's Green Jungle is an eco-fable for elder children and their heirs. The Green life is a good life! The ever-children of the Green jungle live a carefree and joyful life on their tiny, remote tropical island. They laugh and play, they tell stories around the evening fire, and are blessed with the abundance of fish and fruits that the island provides. Life is good! Life is Green! But changes are ahead! As the skies darken and the sea grows dark green, strangers begin to arrive and the children are forced into accepting new ways, new thoughts and new lives. The spirit of the Green children is challenged to survive. Join the children on this journey and Remember the Green! Throughout history, cultures have risen, been established, conquered, assimilated, and have evolved. This has occurred worldwide as transportation improves, technology advances, and as nations continue to expand and dominate. Legend of the Children of Guam's Green Jungle explores what happens to native cultures that are subjected to progress in an ever-changing...
