Inspiring Voices, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Comparing the intertwining complexity of the Book of Kells with the complexity of our relationship with those we love and care for, *Love So Deep Within* weaves the difficult subjects of dying and living with cancer into a memoir of one whose recent journey takes you beyond the doors to both worlds. The Book of Kells was written during times of immense struggles within the world for dominance and power in approximately AD 800; however, a small group of monks off the coast of Ireland were diligent in creating a masterpiece of the four gospels of the Bible, illuminated with vibrant, rare colors and tints of the images of life and featuring figures of humans, animals, and mythical beasts together with interlacing patterns. *Love So Deep Within* tells us a story of not giving up and of compassion to the very end. It tells us of the richness of our experience of living with those who are close to death, and yet live with us still-of the passage of time, inconsequential and yet full of transition and of a time so precious to us that it lingers. And that this time is a powerful gift. *Love So Deep Within* is a story of love, compassion, and hope for caregivers everywhere.
