## Diet and Nutrition: For People Living with Hepatitis C (Paperback)

By National Library of Medicine, National Institute of Allergy and Infect

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Diet and Nutrition - For People Living with Hepatitis C - How Diet Affects the Liver. National Institute of Allergy and Infectious Diseases - National Library of Medicine. Understanding Hepatitis C and Diet. If you are diagnosed with hepatitis C infection, your healthcare provider will examine you for liver disease and prescribe medicine to get rid of the virus. Two medicines are used to treat hepatitis C: interferon and ribavirin. Most health experts advise using both drugs together. The response to treatment varies from person to person. About 15 to 25 percent of those infected with hepatitis C will recover completely. Because other hepatitis viruses and alcohol use are associated with faster progression of the disease, health experts advise people with hepatitis C to avoid drinking alcohol and to be vaccinated against hepatitis A and hepatitis B viruses. Hepatitis C is an infectious disease affecting primarily the liver, caused by the hepatitis C virus (HCV). The infection is often asymptomatic, but chronic infection can lead to scarring of the liver and ultimately to cirrhosis, which is generally apparent after many years. In some...
