

## Founding Zealots

By Thomas W. Hagedorn

Xulon Press. Paperback. Condition: New. 372 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. Religion, morality, and knowledge being essentially necessary to good government. . . schools. . . shall forever be encouraged. . . When Thomas Hagedorn stumbled across those fifteen words in Ohios first Constitution, he had no idea that it would lead him on a 20-year quest to answer one simple question: How could Ohios first public schools have promoted morality and religion, when today they are either indifferent or hostile to those values After studying hundreds of old letters, diaries, reports, and biographies he discovered that the teaching of religion and morality was commonplace, not only in Ohios first government schools, but all across 19th century America. Surprisingly, he found that most historians have ignored the Christian philosophy, motives, and leaders that laid the foundation of that vital institution. For the first time, Founding Zealots tells the entertaining and dramatic story of this five-decade-long struggle, the men who fought it, and the reasons why other historians have instead left us with a very different, much more secular account. Based upon exhaustive research, Founding Zealots shows that: Horace Manns role as the founder of our public schools is a...
