

The New Arithmetic: Compiled by Three Hundred Prominent Educators and Edited (Classic Reprint) (Paperback)

By Seymour Eaton

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The New Arithmetic: Compiled by Three Hundred Prominent Educators and Edited The contributors to the exercises in this book are about three hundred in number. The names of those from whose contributions I have drawn most largely are adjoined. I am myself responsible for the plan of the work, for the grading, and for a large number of the exercises. Explanations of theory, and other introductory matter, which the teacher should himself provide, I have purposely omitted. I have endeavored to prepare a pupils hand-book. The practical character of the exercises will commend them to all who have at heart the mental development and the business success of their pupils. I have avoided all exercises requiring much labor and affording very little intellectual or practical benefit. The work of the elementary departments prepares the pupil for the study of algebra, geometry, and the higher mathematics, while the more, advanced work prepares him for the active duties of everyday life, and at the same time gives him such mathematical training as he may not have time...

Reviews

Excellent eBook and useful one. it was actually written extremely perfectly and useful. You won't truly feel monotony at any time of your time (that's what catalogues are for about when you question me).
