In time, he would become President of the United States and be assassinated, and she, as his intimate lover throughout his presidency, would be murdered ten months after Jack, coincidentally upon release of the Warren Commission Report - - - a clear CIA hit. Jack returned home from WWII as a physically damaged PT-109 decorated war hero, only to find that the girl that had occupied his thoughts while overseas had wed Cord Meyer, also a decorated war hero who had lost an eye in the Battle of Guam. Read of their pre-presidential parallel lives, their destined intimacy, and why she was the only woman Jack ever really loved. Find out, beyond a failed assassination, how their love affair evolved into a First-Couple divorce and re-marriage . . . until death they do not part. MARY, MARY and JFK is a two-part book, under one cover.
