Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

Booksurge Publishing, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My life? Well, to say that my life just wasn't going the way I wanted it to would be a vast understatement. In my twenties I accumulated over 20 speeding tickets, was fired from around 15 jobs, and went to jail 3 times. I knew I wanted to be successful and achieve my goals, but I couldn't manage to get my act together. It seemed as if there was some sort of invisible force out to get me that would appear out of nowhere and sabotage my efforts. As it turns out this invisible force has a name and is what Eckhart Tolle refers to as the pain body . So what this looked like was me getting ready to make some sort of major transition or change in life and then simultaneously creating a reason not to make that transition or change. However, the desire to not change or transition in life was not a conscious one, but an unconscious one. In other words I consciously desired to create change in my life, but I was subconsciously sabotaging myself via all of my unhealed emotional pain from childhood. So what happened? I began to wake up and become self aware. It didn't happen overnight, but I did begin to witness myself in semi conscious or unconscious states; I started to see how I was unconsciously creating my reality. Let me tell you that it's both liberating and kind of embarrassing. This is because you have amazing ah ha moments of clarity when you suddenly see some of your unconscious patterns mixed with cringing moments of ouch as you realize some of the things that you do...
