## FULLY CONNECTED: SURVIVING AND THRIVING IN AN AGE OF OVERLOAD

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In 1946, the World Health Organisation defined health as: a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity. At every level, each person, department and organisation is struggling to find a way to navigate this challenging era; Fully Connected will be a blueprint for anyone looking to reclaim time, space and...
