

Booth's Sister (Paperback)

Filesize: 7.48 MB

Reviews

The publication is easy to read through better to recognize. It usually will not cost too much. You won't feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

Bell Bridge Books, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My brother killed Abraham Lincoln. That is my weight, my shame. While he remained at large, I was held captive in my home. I should have told the soldiers who came with guns drawn and bayonets at the ready this true thing: I might have stopped him, for I harbored him and kept his secrets. I was a pie safe locked tight and guilty as he. Asia Booth Clarke was twenty-nine years old and pregnant when Union soldiers and Federal detectives stormed her Philadelphia home in search of her assassin-brother. John Wilkes Booth s older sister had grown up in one of America s most notoriously troubled but spectacularly acclaimed acting families. Johnny and Edwin, her handsome brothers, were the matinee idols of the era. When John Wilkes Booth s crime left the nation in furious mourning and the Booth family under a dark cloud of accusation, it was Asia who bore the brunt. Booth s Sister was inspired by Asia Booth Clarke s personal memoirs. Author, Civil War scholar and storyteller Jane Singer has masterfully imagined the family dynamics and intimate dilemmas that led to one of America s most fateful crimes and left a sister s life in shambles.
