

## Project Management Case Studies (Paperback)

By Harold R. Kerzner

John Wiley Sons Inc, United States, 2017. Paperback. Condition: New. Fifth Edition. Language: English . Brand New Book. Learn how project management can make a company sink or soar Project Management Case Studies presents a compilation of illustrative case studies showcasing both exceptional and poorly-implemented project management techniques. Broad in scope yet rich in industry-specific detail, this book provides over 100 case studies drawn from real companies to demonstrate ways in which project management concepts translate into real-world action. This new fifth edition has been updated to meet today's project management standards, and features 18 new case studies including high-profile cases from Disney, the Olympics, 787 Dreamliner, Airbus 380, and more, with new cases that specifically focus on agile and scrum methodologies. Whether you're preparing for a PMP certification, seeking continuing education, or just looking to broaden your understanding of the project management function, this book provides crystal-clear illustration of what real-world project management entails. Effective project management is the key to competitive advantage and financial success for any company. Planning, scheduling, and controlling are critical functions that can make or break an operation, and when things go wrong, the results can be catastrophic. This book takes you...
