Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When it comes to true love, can an open mind be more important than an open heart? ***Charmed Fates is a standalone novel; you don t need to read any of the other books in the OmegaDate Diaries series to enjoy this one.*** Spirits, souls and spells, moon-phases, mysticism and magic; these are the amazing phenomena that the world around us is made of. That s how Indigo Lockwood sees things, anyway. Unfortunately, there wasn t a good luck charm in the world that could save him from having his heart broken by an abusive fiance two years ago, and Indigo s been desperately lonely ever since. Aaron North, on the other hand, doesn t believe in all that mumbo-jumbo. Spending his days writing snarky, skeptical articles for anti-paranormal magazines, Aaron s life is consumed by logic and what s directly in front of him. Love at first sight? Sheer nonsense. Fate? He s not buying it. The fact that his latest gig-an article setting out to debunk a haunted bed breakfast in the quaint town of Crosswinds-thrusts him directly into the path of sexy, free-spirited Indigo is just a coincidence. But is Aaron willing to open up his mind to a world beyond the physical, while Indigo struggles to open up his heart after his devastating loss? And how many coincidences need to occur before they both stop denying destiny? AUTHOR S NOTE: This book contains hot and lusty male on male action involving frenzied bareback sex, shapeshifting wolves, knotting and a sweet and tender happily-ever-after. Not recommended for those that blush easily.
