Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt from Thirty-Second Annual Report of the Hawaiian Evangelical Association: June 1895 A resolution was passed, that in the judgment of this Association the number of deacons in any church should not be over nine nor less than three. This resolution was introduced in view of the fact that in some of the churches the membership of the diaconate had been greatly increased, and this greatly to the distress of the churches, one church of thirty-three deacons being almost dismembered by them. It was also advised that the business meetings of the churches be held on week-days. In view of certain legacies received by the Board, and of the generous contributions of friends, it was voted that the Chairman and Clerk of the Association be authorized to present such words of thanks as may be fitting. Especially was it voted that the Association, at its close, unite in prayers of thanksgiving to God for His continued favor and support of the work He has put into our hands.
