Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Western New York Under the French: An Address Delivered Before the Morgan Chapter in Memorial Art Gallery, University Campus, Rochester, N. Y., December 19, 1919 I thank you for the privilege of meeting with you to-night, but I am haunted by the feeling that I should address you on an archaeological subject. This I cannot do. My theme is history; but it is a history that runs back so far that in some of its phases it supplies material for the archaeologist. I invite you to consider with me for a little while typical events which mark the course of history in what is now Western New York, in the days when this part of our country was under the domination of France.
