Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you are keen on building a professional-looking blog or website without forking out bucks for a web designer, you may want to try an open-source, free blogging tools called WordPress. Chances are, some of your favorite sites use this popular platform because WordPress makes it incredibly easy to create blogs, websites, and edit content. Although the management of basic tasks is fairly easy, customizing WordPress to suit your different and unique needs may somewhat be complicated, but nothing to cry about. Over the last couple of years, WordPress has created streamlined tools necessary for building blogs and websites, and customizing their appearance, but the tools do not always offer advanced users access to all features on the platform. To this end, the following guide will offer simple steps to create your WordPress website without any coding and have it up and running in just under 2 hours. So, let's get started!
