Excerpt from Politics Is What You Make It The average Russian cannot Openly criticize the administration of his schools, the tax system, or most other governmental mat ters. Here, we have the right to criticize any and all government policies, but many fail to exercise the privileges and obligations of citizenship. Here, we run the risk of surrendering our liberties by default. As an American citizen, are you or should you be concerned with the traffic problem, the cost Of living, the education Of your children, the efficiency of our defense effort, graft and corrup tion, taxes, labor-management problems, the collection of your garbage, our foreign policies? Are you concerned about the caliber of the candidates nominated by your political party or by both major parties, about the responsiveness of your party leadership to the membership, about dozens of other questions? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
