World of Wonders is an appreciation of the lyrics and music of the iconic Canadian Singer-Songwriter-Guitarist Bruce Cockburn. This book is the first comprehensive look at the works of Bruce Cockburn from the 1960 s to the Present. Bruce Cockburn is, first and foremost, a visionary artist; engaging and probing songwriter, spiritual seeker, truth teller, and extraordinary guitarist. He is a songwriter s songwriter and musician s musician. If you measure success in album sales, or chart position, or merchandise sales, or mentions in People Magazine or Rolling Stone, then Bruce is not for you. He s sold a lot of albums and won a lot of awards. He has continued to gain in popularity and plays to packed venues across Canada, the United States, and Europe, with occasional forays to Japan and the Far East. He has traveled to war-torn locations like Central...
