## After Hegemony (Paperback)

By Ramon Pacheco Pardo

Macat International Limited, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Robert O. Keohane's *After Hegemony* is both a classic of international relations scholarship and an example of how creative thinking can help shed new light on the world. Since the end of World War II, the global political landscape had been dominated by two superpowers, the USA and the USSR, and the tense stand-off of the Cold War. But, as the Cold War began to thaw, it became clear that a new global model might emerge. The commonly held belief amongst those studying international relations was that it was impossible for nations to work together without the influence of a hegemon (a dominant international power) to act as both referee and ultimate decision-maker. This paradigm - neorealism - worked on the basis that every nation will do all it can to maximize its power, with such processes only checked by a balance of competing powers. Keohane, however, examined the evidence afresh and came up with novel explanations for what was likely to come next. He went outside the dominant paradigm, and argued for what came to be known as the neoliberal conception of international...

### Reviews

*I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.*

-- Merritt Kilback II

*Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.*
