Excerpt from Wild Youth and Another Michael Turley had lived much to himself on his ranch, but that was because in his latter days he had developed a secret taste for spirituous liquors which he had no wish to share with others. The assistance of a bad cook and a constant spleen caused by resentment against the intervention of his priest, good Father Roche, he finished his career with great haste and without either becoming a nuisance to his neighbors or ruining his property. The property was clear of mortgage or debt when he set out on his endless journey. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
