

A Field Trip Into Consciousness: Riding My Camel Back Home (Paperback)

By Bonnie Vancelette

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Skillfully deconstructing our most cherished beliefs, paradigms and boxed up notions of what reality is, and isn't, the author creates a prototype for restoration of the mind, body and soul's journey back Home to Source, or the Singularity most would call God. Seen through the prism of science, it is a metaphysical, theoretical, spiritual and entertaining jaunt into human mindful perceptions, or lack thereof, as seen through the eyes of the author. Using large doses of irreverent humor for balance and grounding, the comedy equalizes and softens the complex scientific underpinnings of the work. For decades levels of consciousness were summarized and organized as lists, presented in simple formats of triangles and boxes, describing mostly feeling states. Using the most up to date technical research from multiple fields, the reader is taken on a ride, beginning with how the mind/brain actually works, and then takes us on a flight to the outer reaches of the universe and other worldly perception. A perfect read for those who love to think outside the box, the book outlines how cognizance and...

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
