Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Yale Literary Magazine, Vol. 15: June, 1850 SO eminently adapted by nature for the abode of man, it seems to have been a favorite possession of the aborigines, from a period in definitely remote. An unknown and primitive race, receding far back into antiquity, farther than tradition penetrates - a race of which nothing is told but the simple fact of its past existence, and that not told by human tongue, has left here, as in some other parts of the continent, a few lasting foot-prints. Near the centre of the valley, on opposite banks of the stream, the remains may still be seen, not quite obliterated by the hand of cultivation, of two large mysterious-looking mounds, which were found by the first white settlers in a tolerable state of preservation; though the age of a superincumbent growth of trees, assigned to one of them the antiquity of a thousand years. Previous to the immigration of the whites, the valley had long been held under the nominal jurisdiction of the Six Nations, but Occupied in lawless freedom, by belligerent parties of the Nanticoke, the Delawares, and the Shawanese, who, in the intervals of war, cultivated the plains and pursued game on the mountains. Count Zinzendorf and the Moravian missionaries - the first white men that ever set foot in Wyoming - have handed down some singular accounts of the bickering of these savage tribes, one of which is particularly worthy of mention, as a kind of satire on the warfare of more refined nations. One day, while the Delaware and Shawanese parties, whose dominions lay on opposite sides of the river, were enjoying a...
