It is a guide to a new understanding of the self. We perceive that we are just our physical body. But, this is not true. We are rather, seven bodies of energy. They include the physical, the ether, the astral, the emotional, the mental, the ego, and the spiritual body. This book teaches us about them and the power that we all possess. The power, which creates our freedom, so that we are no longer trapped in the struggle of our mundane, physical existence. This work lifts the spirit and fills our ego bodies with a peaceful hope. Through positive guidance and powerful thought forms that resonate deep within our memory of our True selves, we are guided to understand that we can only obtain freedom through the mind and the heart.
