Xulon Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you in need of a blessing? It is not a coincidence you were led in this direction. This book is about seven principles that Christopher McClendon followed to receive his blessing from God. Those seven steps include: (1) Praying to God about your blessing, (2) Listening to His answer, (3) Having faith in what he said, (4) Obeying His statutes, (5) Expecting Him to act, (6) Waiting patiently on the Lord, and finally (7) Receiving your blessing. Chris includes giving thanks not as a part of the seven step process, but as a praiseworthy action that glorifies God. Mr. McClendon states that by following these seven steps, he was able to walk again after a horrific car accident that left him paralyzed chest down. The author shares personal stories of his life and provides detailed examples as he breaks down the seven steps. As soon as you open this book you will be bonded by Chris testimony, healed by the lessons he learned, transformed by the powerful words of wisdom, and most of all blessed by the power of God. There is no doubt that after reading this book you will be prepared to receive God s blessing for your life. If following these seven steps motivated Chris McClendon s recovery from a broken neck, back and permanent paralysis, just imagine what it can do for you!.
