Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Learning to Live with Geese is a collection of stories that trace the lineage of a rural Colorado family where the twists and turns of life and living are shadowed by one true constant - the omnipresent geese. Over the course of 12 stories we learn about Coltin and his family, how over the years the town's geese grow to mean different things. How in lean times his grandfather poached them in the park, just as his father had done. How one carried Coltin's mother through the pangs of suffering and loss. How a dishonest preacher used geese to bolster his own flock. How on the thin ice of a late winter pond a young woman saved herself by their example. In this collection you'll find the balance we all find in life, that place between loss and redemption, depravity and grace, yet beneath it all persists the unflinching geese, with their private chatter and austere codes.
