Workman Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Author and illustrator of *How to Be Interesting*, Jessica Hagy is a cutting-edge thinker whose language - comprising circles, arrows, and lines and the well-chosen word or ?two - makes her an ideal philosopher for our ever-more-visual culture. Her charts and diagrams are deceptively simple, often funny, and always thought-provoking. She knows how to communicate not only ideas but the complex process of thinking itself, complete with its twists and surprises. ?For *The Art of War Visualized*, she presents her vision in evocative ink-brush art and bold typography. The result is page after page in which each passage of the complete canonical text (in its best-known Lionel Giles translation) is visually interpreted in a singular diagram, chart, or other illustration - transforming, reenergizing, and making the classic dazzlingly accessible for a new generation of readers.
