REVIEW OF TICKNORS HISTORY OF SPANISH LITERATURE (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 52 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Excerpt from Review of Ticknors History of Spanish Literature Especially are the peculiarities of the Spanish temperament observable in that part of their literature which is inspired by the passion of love. With the Spanish poet, love is a burning and consuming fire, which feeds upon the heart and wastes away the life. A favoring smile lifts him into a heaven of ecstasy, while a frown converts the face of nature into a universal blank. The delicate sentiment which breathes through the sonnets of Petrarch is like the night-breeze that steals the perfume from the orange-gardens of Sorento, but in the poetry of Spain love is a tropical tempest, which makes a desert of the breast in which it rages. And this volcanic passion does not express itself with simplicity and directness, but the lover, in the midst of his alternations of rapture and agony, indulges himself in the most cold and fantastic conceits, and moralizes the perfections of his mistress into a thousand elaborate similes, which seem equally opposed to good taste and genuine passion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
